

## MIDDLE EAST WORK REFERENCES

### Project Experience

Our project works in the Middle East region are extensive with on site deployment of our workforce overseen from our regional offices in the UAE, Fujairah and Abu Dhabi and Duqm in Oman. With expansion plans firmly underway in Saudi Arabia, Qatar, Kuwait and Iraq, we are committed to building a solid presence in the Middle East to better serve our clients.

Poratha Corporation's experience extends globally across a broad spectrum of high profile projects in the Power Generation, Oil & Gas, Renewable Energy and Petrochemical sectors as we continue to seek out and explore new territories and challenges in our chosen field of mechanical engineering and construction.

## PROJECT REFERENCES

Year	Project Description	Scope of Work	Project Site	Client
2020	Boiler Scaffolding Works and NDT	10,000 M3& 4800 joint NDT	Hassyan Power Plant	GE Power/China Energy Engineering Group
2020	Boiler Piping Works	15000 Dia inch	Hassyan Power Plant	GE Power/China Energy Engineering Group
2020	Piping and Air in take duct, HRSG Erection	14000 Dia inch& 1500 ton	Allayyah Combined Cycle Power Plant	Jurong Engineering Limited- Sharjah Branch
2020	Scaffolding Works	3000 M3	Hamariya Power Plant	Jurong Engineering Limited- Shj Branch
2020	Piping works (underground oil and non oil system)	6000 Dia Inch	Hamariya Power Plant	Jurong Engineering Limited- Sharjah Branch
2019	200 MW Tracker support/ motor i/panel installation (PV method )	200 MW complete Scope	Mohammed bin Rashid Al Maktoum Solar Park	Ghella/Acciona/ INCO
2019	GRP pipe installation / Lamination	23000 Dia Inch	Hamariya Power Plant	Technicas Reuindas/Amiantit
2019	Scaffolding Works	17 Tanks 44514 M3	VTTI, Fujairah	Audex Fujairah LL FZE
2019	Tank erection	3500 TON	BPGIC Phase 2, Fujairah	Audex Fujairah LL FZE
2018	Piping Works and Structure	10,000 Dia Inch	Epcl-ENOC	Technip FMC-Rotary
2018	Tank erection	Manpower supply	Epcl-ENOC	Rotary Engineering Fujairah LL FZE
2018	HRSG Mechanical Erection and Steel Structure Erection Work	2300 Ton	Jebel Ali M Extension Power Plant	Simens AG
2017	Piping Works	12,000 Dia Inch	Star Enegrgy Oil Tanking, Jebel Ali	Rotary Engineering Fujairah LL FZE

Year	Project Description	Scope of Work	Project Site	Client
2017	BOP Piping Works	25,000 Dia Inch	Jebel Ali M Extension Power Plant	Simens AG
2016	Piping Fabrication and Installation.	18,000 dia Inch	BPGIC Fujairah Terminal, Fujairah	Audex Fujairah LL FZE
